### **Our proven steps to success are:**

- a. Gathering the material to support your case.
- b. Attempt to negotiate an out of Court Settlement (we work on achieving results and not protracted Court disputes)
- c. Commencing Court proceedings, in the event of a negotiated settlement not being achieved, to allow the matter to proceed to Mediation.  
This has the advantage of reducing legal costs and avoiding a Court hearing.
- d. If the Mediation is not successful, and the majority of cases are resolved at Mediation proceeding to a Court Hearing
